

# Summertime Fun

## Summer Activities for Kids

Summer Activity Bags for Children: As you come into the church parking lot for worship, be sure to get your child's activity bag. It will have activity books, crayons, etc. for them to use during the service. There are extras for visitors. Please keep the bag in your car for use throughout the summer.

Sunday School Materials: Materials have been put together for our children to work on during the summer. There are 12 weeks of materials starting on July 14. Group 1 materials are for children ages 5-7, and with

these materials there will also be a cd of the bible stories recorded by Natalie Baer.

Group 2 materials are for children 8-11 and these focus on bible readings. They will be available for pick up at the service on July 7. If you are unable to attend then, they will be delivered to your home.

Challenge Activity: This summer we are challenging our children ages 9-11 to learn about the books of the Bible. Along with their Sunday school materials, they will receive a packet of information that will help them learn and understand basic information about the books of the bible. This is a great project for you and your child to work on together. Each student who completes the packet and turns it in to Mrs. Hunt will receive a gift certificate to Hillside Farms for a special treat. If they want to go a step further and memorize the books of the Bible, they will receive a gift certificate for a large pizza from the Grotto. There are many different song versions of the books of the bible on Youtube. It's a great way to learn them.

Adult Sunday School: Our ladies' Bible study will end on July 14<sup>th</sup>. No further studies have been planned for the summer.

Children's Summer Sermons will be based on the Old Testament stories. We will learn about Joseph, Jacob, Abraham and many others. Tune in for these exciting stories starting today.

- Let us know if you are planning on being anywhere in the building

Announcements need to be either emailed to [trinitypress@frontiernet.net](mailto:trinitypress@frontiernet.net) by Tuesday morning at 10 am or written on one of the forms found on the bulletin board and deposited in the office.

Newsletter articles need to be submitted to the church office by June 25<sup>th</sup>. They need to be emailed to [trinitypress@frontiernet.net](mailto:trinitypress@frontiernet.net) along with any images.

Be sure to check out our website Trinity Presbyterian Church and Facebook for church updates including events happening now, in the future and/or changes. Be sure to like and share events on Facebook so that our neighbors and friends can see all the wonderful things happening at Trinity. Please also let us know about events that we can share with our members that your church group might be hosting.

**NOW ACCEPTING JEWELRY** - The Rummage Sale has been tentatively scheduled for Friday, August 28 & 29, 2020. That means it's time to get your jewelry that you never wear out of your jewelry box and get it to Allyson Lord when we begin worshipping in person again. Also, if you have small jewelry gift boxes that you won't be using, bring them along too. Allyson will be accepting jewelry and small boxes until further notice. Thank you in advance for your donations.

### **No Hungry Tummies Program**

The Session has approved the No Hungry Tummies Program to be conducted at Trinity again this summer. During the months of June and July, please bring nonperishable food and place it in the buckets under the table in the hallway. Please make your donations in the form of "kid friendly" food that is ready to eat or easy to fix such as cereal, juice, prepared pudding and Jell-O, fruit cups, peanut butter and jelly, macaroni and cheese, tuna fish, soup, etc. If you wish to make a monetary donation, please make your check payable to the Back Mountain Food Pantry. You may hand the check to Food Pantry Board Member Sandy Peoples or put it in an envelope marked "Back Mountain Food Pantry" and place it in the offering plate to be directed to her mailbox. Thank you for your continued generous support of this program to feed needy children in our community during the summer months.
