GOOD NEWS!!! SAVE THE DATE OF AUGUST 28-29!!!!!!

As long as our county stays in the “green”, we will be moving forward with our annual rummage sale. With that being said, we must change the rules to coincide with the State Department guidelines.

1. Items prohibited this year are the following:

- NO stuffed animals**
- NO electronics of any kind**
- NO large exercise equipment**
- NO magazines**
- NO textbooks**
- NO junk – please only donate clean, useable items**

2. Jewelry is currently being accepted at the church.

3. We are collecting from church members only this year.

4. Items will be collected from August 5th to August 9th only. Nothing earlier and nothing later. For the safety of everyone, these items will then sit untouched for two weeks.

5. On Monday, August 24th to Thursday, August 27th, we will set up for the rummage sale. We would appreciate help from our wonderful church members. Without your help, we cannot hold this annual sale!

6. Thursday, August 27th from 6 to 8 pm will be the church family pre-sale event.

7. We will only allow approximately 50 people total in at a time. Masks will most likely still be required, but we will find that out closer to the date as we will follow all CDC guidelines.

8. We also will be sanitizing tables daily as well as using a disinfecting fogger during set up and the sale.

We appreciate your continued support and understanding in our efforts to keep everyone safe. We look forward to having a great rummage sale again this year!

Any questions, comments or concerns, please address them to the co-chairs of Allyson Lord, Cindy Williams and/or Karen Perzia.

**Thank you,
The Deacons**

NOW ACCEPTING JEWELRY - The Rummage Sale has been tentatively scheduled for Friday, August 28 & 29, 2020. That means it's time to get your jewelry that you never wear out of your jewelry box and get it to Allyson Lord when we begin worshipping in person again. Also, if you have small jewelry gift boxes that you won't be using, bring them along too. Allyson will be accepting jewelry and small boxes until further notice. Thank you in advance for your donations.

No Hungry Tummys Program - The Session has approved the No Hungry Tummys Program to be conducted at Trinity again this summer. During the months of June and July, please bring nonperishable food and place it in the buckets under the table in the hallway. Please make your donations in the form of "kid friendly" food that is ready to eat or easy to fix such as cereal, juice, prepared pudding and Jell-O, fruit cups, peanut butter and jelly, macaroni and cheese, tuna fish, soup, etc. If you wish to make a monetary donation, please make your check payable to the Back Mountain Food Pantry. You may hand the check to Food Pantry Board Member Sandy Peoples or put it in an envelope marked "Back Mountain Food Pantry" and place it in the offering plate to be directed to her mailbox. Thank you for your continued generous support of this program to feed needy children in our community during the summer months.

Please follow these simple steps when coming in to visit:

- Call ahead to see what is happening
- Bring a mask to wear
- Follow social distancing
- Let us know if you are planning on being anywhere in the building

Announcements need to be either emailed to trinitypress@frontiernet.net by Tuesday morning at 10 am or written on one of the forms found on the bulletin board and deposited in the office.

Summertime Fun

Summer Activities for Kids

Summer Activity Bags for Children: As you come into the church parking lot for worship, be sure to get your child's activity bag. It will have activity books, crayons, etc. for them to use during the service. There are extras for visitors. Please keep the bag in your car for use throughout the summer.

Sunday School Materials: Materials have been put together for our children to work on during the summer. There are 12 weeks of materials starting on July 14. Group 1 materials are for children ages 5-7, and with these materials there will also be a cd of the bible stories recorded by Natalie Baer. Group 2 materials are for children 8-11 and these focus on bible readings. They will be available for pick up at the service on July 7. After July 7th, they can be picked up in the office.

Challenge Activity: This summer we are challenging our children ages 9-11 to learn about the books of the Bible. Along with their Sunday school materials, they will receive a packet of information that will help them learn and understand basic information about the books of the bible. This is a great project for you and your child to work on together. Each student who completes the packet and turns it in to Mrs. Hunt will receive a gift certificate to Hillside Farms for a special treat. If they want to go a step further and memorize the books of the Bible, they will receive a gift certificate for a large pizza from the Grotto. There are many different song versions of the books of the bible on YouTube. It's a great way to learn them.

Adult Sunday School: Our ladies' Bible study will end on July 14th. No further studies have been planned for the summer.

Children's Summer Sermons will be based on the Old Testament stories. We will learn about Joseph, Jacob, Abraham and many others. Tune in for these exciting stories.
