

Trinity Presbyterian Church is located on IREM Road (105), adjacent to the Back Mountain Baseball fields (and the Kiwanis Ice skating rink in the winter). It is easy to find but can be a little tricky to drive to due to some recent PA DOT work on the intersection of 309, IREM Road and Church Street.

Traveling from Tunkhannock or Noxen you will be travelling south on 309. Watch for the traffic light where Upper Demunds Road intersects with 309, pass through that light then make a hard right at the next opportunity and the Church will be on your left in a couple hundred yards.

Travelling from Wilkes-Barre or Trucksville, you will bear right on 309N at the Dallas Shopping Center, in approximately 1 mile you will turn left at the traffic light on Center Hill Road. You will then quickly turn right onto Church street at the first stop sign. Go straight through the next Stop Sign and you are on IREM Rd and will see the Church on your left in a couple hundred yards.

If you are at the Rotary in Dallas, you'll take Church Street up the hill, then straight through the stop sign as you cross Center Hill Road. You will then go straight through the next Stop Sign onto IREM Rd and will find the Church on your left in a couple hundred yards.

If you are on the Memorial Highway (Route 315) you will turn NE on Center Hill Road (at the light next to Leggio's Restaurant) and go up the Hill. Stay straight until you reach the Stop Sign where you turn left onto Church street. Go straight through the next Stop Sign and you are on IREM Rd and will see the Church on your left in a couple hundred yards.

If you are at the Masonic Village or the IREM Clubhouse, simple come down the hill on IREM road and the Church will be on your right in a mile or so.
